OTHER- Randy Cramer, QuanTech/Research Consultant

After the introductions, Lori Saltzman described CPSC's mission. BOMA asked for a brief discussion of the Commission's IAQ-related projects. CPSC staff described the projects. BOMA then began a discussion of their organization, their IAQ activities, and their unhappiness with OSHA's Proposed Rule on IAQ. BOMA prefers a non-regulatory approach to IAQ issues. BOMA asked about CPSC's funding. Staff described the current funding level and impact on projects. BOMA asked for copies of CPSC's IAQ booklets, Report to Congress on IAQ, and IAQ-related project sheets for past few years. Lori Saltzman will provide to Jim Dinegar.
